## APPLICATION FOR BOARD APPROVAL OF A CERTIFICATION COURSE IN MONITORING NITROUS OXIDE

This is an application to request Board approval to conduct a certification course in monitoring nitrous oxide. All questions must be answered truthfully by the owner/director of the school applying for approval. The application will be evaluated and, if approved by the Board, an approval letter will be generated for the course. Applications must be received at least 30 days prior to the next regularly scheduled board meeting. Approval of courses will only be effective until December 31<sup>st</sup> of any given year. The rules regulating monitoring nitrous oxide and certification courses in monitoring nitrous oxide are in 0460-4-.05 and 0460-5-.03(4).

**Attach a copy of the course syllabus to be utilized in the course to this application for review by the Board.**
